Shut-down or no shut-down? Does that mean we are "essential"?

Bob

Present for DPE will be Koki Tabuchi, President and CEO, Denka, Jorge Lavastida, Plant Manager, Denka, and Jim Harris, Harris, DeVille & Associates (public relations). They will arrive at Region 6 sufficiently in advance of the 10:30 meeting to complete sign-in procedures to be ready for the meeting at 10:30. Should they call for Ms. Idsal on arrival at the reception area or should they ask for someone else?

> On behalf of Denka Performance Elastomer LLC (Denka), I would like to request the opportunity for a small number of Denka representatives to meet with Ms. Anne Idsal, Regional Administrator. As you know, Denka has been involved in numerous discussions with EPA concerning air regulatory matters related to its LaPlace, Louisiana, Neoprene facility. We are requesting a short, non-substantive meeting for goodwill purposes and to establish a face-to-face relationship. Denka's representatives would include Mr. Koki Tabuchi, Denka's President and CEO, Mr. Nao Kawamura, Vice President, a Denka technical representative (Mr. Jorge Lavastida, Plant Manager, or Mr. Patrick Walsh, SHE Manager), and a representative from Denka's public affairs consultant. Unless EPA Region 6 feels it would be appropriate, we would not envision having counsel present for the meeting.
